#### Notes:

Priority is given to Invited Years (**up to and including 1959; 1979, 1989, 1999 and 2009**), who receive separate invitations by post. All other applications will be treated on a strict first-come-first-served basis. **Bookings will be open to all members from 22<sup>nd</sup> April 2019. If you are not an Invited Year, please do not return your form before this date.**

**Invited Years will be split for the dinners (both black tie): 1979 & 2009 on Friday; 1959, 1989 & 1999 on Saturday. Members of the Fitzwilliam Society Committee & those Matriculands up to and including 1959 are invited to dine on both evenings.**

Members should be aware that accommodation will be in single undergraduate rooms with en-suite showers, some of which share bathroom facilities. The rooms are basic and comfortable, but do not provide the same facilities as one might expect to find in a hotel. The number of twin rooms is very limited. We will do our best to accommodate requests for twin rooms but it

may be necessary to provide two single rooms instead. The rooms are not allocated until just before the event so we cannot confirm twin rooms at the time of booking. **All rooms are charged at a per person rate, and include breakfast.** If you have any special requirements, please indicate on the booking form.

If you need to cancel your booking, please inform the Development Office as soon as possible, so that your place can be offered to our waiting list. A refund may be available on request.
