

GREEN STARTER PACK

GENERAL ENVIRONMENTAL INFORMATION FOR GRADUATE STUDENTS

Fitz keeps an up-to-date Environmental Policy and Action Plan, in which you can read the College's set goals and targets related to environmental aspects.

You can read it here:

https://www.fitz.cam.ac.uk/sites/default/files/2019-05/Environmental_Policy.pdf

There is a proactive group of people at Fitz working towards sustainability, including students, staff and Fellows. If you would like to learn more about Fitz environmental aspects, please get on touch with your MCR Green Officer (mcr.green@fitz.cam.ac.uk) or with the Fellow Environmental Officer

Regardless of your type of accommodation, please make sure to strictly follow the proper recycling procedures. If you live in any of the College's outside houses, you can visit <http://mcr.fitz.cam.ac.uk/accommodation/recycling/> to access a practical recycling leaflet or read your accommodation's red book containing more information

During the entire year you can use the College allotments to grow your own food and plants. For more info, get on touch with the Head Gardener (head.gardener@fitz.cam.ac.uk)

Fitz is on its way to becoming the first Hedgehog Friendly Oxbridge College. For more info, please visit <http://mcr.fitz.cam.ac.uk/overview/hedgehogs/>
