Charitable and Community projects
Application Form

Charitable Project Awards of up to £250 may be made in support of beneficial activities (normally without remuneration) undertaken by junior members of the College. If such an awards is supplementary to other sources of College funding, the total level of College funding is unlikely to be more than 50% of the project cost. Projects may be in Cambridge, in the UK or abroad; if support is sought for travel costs, the intended dates of travel must be included in the application form.

Junior Members remain eligible for such an award during the vacation immediately following the completion of their course of study. Activities forming part of a standard course (eg medical electives, or fieldwork) are generally not eligible.

(This funding is ONLY for costs related to Charity Projects)
