Land Economy Essay Competition

2018/19

Fitzwilliam College is pleased to release the 2018/19 Land Economy Essay Competition questions:

1. ‘Governments should be accountable to their citizens for loss caused by climate change’. Discuss.

2. To what extent are problems in providing sufficient affordable housing a consequence of a real estate paradigm which emphasises the economic rather than the social importance of property?

3. Critically analyse the costs and benefits of a large-scale infrastructure project of your choice. In making this assessment, consider in particular any regional disparities and how they are affected by such projects.

Competition rules:

This essay competition is for Lower Sixth Formers or Year 12 students (or equivalent). International applicants are welcomed but the essay must be written in English. Applicants will be required to enter their details online and to either upload one PDF copy of their essay electronically or post a hard copy to: Schools Liaison Officer, Fitzwilliam College, Cambridge, CB3 0DG by midnight on the 8 March 2019. Further submission information can be found on the essay competition website: https://www.fitz.cam.ac.uk/admissions/events-prospective-students/essay-competitions.

Students are only permitted to enter one competition. There is a strict limit of five submissions per school for each essay competition. If more than five students from the same school enter the same competition, a teacher from that school will be contacted and asked to select the five entries; failure to do so will result in all submissions from the school to that competition being disqualified. When submitting your essay you will be asked to provide contact details of one of your teachers. The College will contact this teacher in order to verify your essay submission. Without this verification, the submission will be considered incomplete.
Essays should be less than 2500 words long, and contain a list of works consulted and cited at the end. This bibliography is excluded from the world limit, but any footnotes are included. Applicants must ensure that pages are numbered and that their full name is on each page.

**Prizes:**

The prize fund (per competition) is £300 with a first prize of £200 and highly commended applicants being awarded a £25 book voucher. The prize giving ceremony will take place during the July Open days.

For further information about the competition or the Land Economy course, please contact:
